## Vaccination for Participation in the All-State Festival 2022

For participation in the 2022 All State Conference, the Nevada Music Educators Association is requiring participants to provide proof of full vaccination against COVID-19. Vaccination is a vital tool to reduce the presence and severity of COVID-19 cases in the workplace, in communities, and in the nation as a whole. The Nevada Music Educators Association has adopted this policy on mandatory vaccination to safeguard the health of our students and members from the hazard of COVID-19.

### Concerns

- Participants are gathering from across the state of Nevada in one location.
- Participants will be doing activities that may not allow for social distancing and/or wearing a mask

### Guidelines

As part of helping all participants stay safe and healthy, all registrants must adopt the following practices:

- Be fully vaccinated by March 2022
- Provide proof of full vaccination
- Stay home if feeling ill three days prior to the event
- Communicate with all appropriate parties if you test positive for COVID prior to the event
- Where a mask correctly – covering nose and mouth – at all times
- Wash hands or use hand sanitizer when available
- Be informed of local county and school district health guidelines
- If you have questions or concerns, please contact any NMEA board member

Sincerely,

**Jonathan Ciaramitaro**

*President*
