

Charles L. Hughes and Alvin C. Jones
Music Fund for Nevada Public Schools

The Hughes & Jones Music Fund for Nevada Public Schools is pleased to announce the Nevada Rural County Music Awards for 2021. A total of \$111,554 is being awarded to 23 worthy middle and high school music programs this grant cycle.

In 2006, Charles L. Hughes and Alvin C. Jones created the Hughes & Jones Music Fund with the sole purpose of funding musical instruments to Nevada's public schools. The goal was to make musical instruments available to students who might not otherwise be able to afford them and enable local schools to maintain ownership of the instruments for student use for years. The goals of this fund is for school music programs to remain strong and vital; and for community events to have the benefit of local student talent.

The Hughes & Jones Music Fund grant cycles are:

- Nevada rural counties in the spring of odd years
- Clark and Washoe counties in the spring of even years
